

Insurance distribution IDD: distance learning with training platform and online exam (proctoring)

GOALS

The executive decision of 25 June 2019 has converted the minimum knowledge requirements of the Insurance Distribution Directive Act (IDD) into a new examination structure consisting of 4 modules:

- a basic module covering the general knowledge requirements.
- three specialized modules, one for each category of insurance product that can be offered.

All material (syllabi, training questions and exam) is available in English.

After completing the training and passing the online exam (proctoring), you will receive your certificate in the next 48h (working days) on our platform : [Click here to find more information about the online exam \(proctoring\)](#)

The new examination structure will take effect as from January 1, 2021.

Price per module: (syllabi, exercises with exam): 430€ members / 480€ non-members

REGISTRATION PROCEDURE : How do you get started with this training course?

1. You register for this exam/retake via the 'register' button. Please use the same e-mail address for each new registration.
2. In the last step for the registration form, you can choose to pay either online or by bank transfer. Once you have received a registration confirmation, we will send you the invoice by e-mail.
3. After payment of the invoice, your registration will be processed further in our system and you will receive an e-mail with your personal activation link to our digital learning platform. Our digital learning platform includes syllabi, exercises, exam and certificate.
4. On our digital learning platform you can choose a date on which you want to take the exam.

EXAM INFORMATION

Structure

Each different submodule has a separate exam. Each exam per submodule consists of 20 multiple choice questions (no guessing correction). A proctoring exam session lasts a maximum of 2 hours. It takes about 30 minutes to complete a submodule. Thus the system allows you to take a maximum of 4 exams in one exam session. To succeed, you must achieve a minimum score of 60% per submodule.

Dates

The exam dates are only available on your own account within our digital learning platform. You will be given access to our digital learning platform after the payment and processing of your registration. Syllabi and exercises are made available to you as soon as we have received your payment. We schedule an exam moment each week. You indicate yourself when you wish to take the exam. You can

change the chosen date free of charge up to 5 calendar days before the exam.

Results

If your result is **positive**, you will find a certificate accredited by the FSMA on your own account within our digital learning platform proving that you have passed the exam (indicated per module) and which demonstrates that you have the required technical knowledge.

If you have not passed one or more exams, you can register for a resit on MyFebelfinAcademy.

When choosing a new date, a waiting period of 15 days needs to be respected. This period of 15 days commences on the day following the date of the exam for which you were not successful. For example: if you took an exam on 1 September, you can retake it on a date after 16 September.
