

## The basic principles of motor vehicle and assistance insurances (non-life)

### GOALS

---

The objective of this training is :

- to be able to identify, understand and apply the legal bases and basic principles of motor vehicle liability insurance, in particular the scope of the obligation to take out insurance as determined by the Act of 21 November 1989, the minimum conditions as determined by the Royal Decree of 16 April 2018, the institutions involved, the special rules relating to the conclusion of the contract and the settlement of claims.
- to identify the purpose and the main guarantees and insurance conditions of the driver's insurance, the comprehensive motor insurance (all risk motor vehicle) and the assistance insurance.
