

Executive program - The Board of Directors in the Financial Sector

GOALS

The 6-day “The Board of Directors in the Financial Sector” program is an executive program on corporate governance, organised in collaboration with GUBERNA. The objective is to train incisive directors to work in the financial business sector.

The objective of this training course is to:

- provide insight into the operation and responsibilities of a Board of Directors and directors;
- provide levers that allow the role of director to be optimally fulfilled;
- provide a comprehensive understanding of the organisation, operation and challenges of a financial institution.

METHODOLOGY

You follow a **‘Classroom training’** face-to-face in a group. You, the other participants and the teacher are all present in the same classroom at an agreed time. There is an opportunity for interaction and feedback, both from the participants to the teacher and vice versa. The teaching material consists as a basis of a presentation via the MyFA learning platform, supplemented with various other items (such as digital syllabus, presentation, audiovisual fragments, etc.).
