

Masterclass 'Board of Directors'

GOALS

The exclusive 'Masterclass Board of Directors' comprises several stand-alone topics aimed at raising the competences of experienced directors on actual board level topics. The Masterclass facilitators are selected for their ability to facilitate a deep dive into specific areas of competence. The Masterclasses thrive on sharing perspectives and experiences in groups, and debates on different viewpoints are to be expected.

Introduction : 2025 Governance Outlook: Projections on Board Matters

Lecture by speaker: Mrs. Sandra Gobert - Executive Director - Lead Public & Social Governance of GUBERNA

- This outlook offers a forward-looking glimpse into the corporate governance landscape, specifically focusing on board-related dynamics. This introduction provides insights and projections that anticipate trends in board governance for the upcoming year.

Session 1 : Regulatory update on sound governance rules with a focus on oversight and risk.

Lecture by speaker: Mrs. Caroline Veris - Partner FSI Governance, Regulation and Compliance at Deloitte

- Explore the latest regulatory update on sound Governance Rules, emphasizing oversight and risk management. This concise overview delves into the evolving regulatory landscape, offering insights into key governance principles to ensure your organization's compliance and resilience in a dynamic regulatory environment.

Session 2 : Risk culture for Board of Directors in a governance framework

Lecture by speaker: Mr. Gregory Joos - Partner at PwC and Mrs. Carole de Vergnies - Director, EMEA lead for Bank Recovery and Resolution Planning, Financial Services at PwC

- A strong risk culture within the board of directors, as emphasized by ECB guidance, ensures proactive identification, assessment, and management of risks, integrating risk considerations into strategic decision-making and accountability frameworks for long-term resilience and success.

Session 3 : Mastering Non-Verbal Power in your Boardroom

Workshop by speaker : Mrs. Eva Vissers - Executive Director - Human Frequency

- Discover the transformative impact of non-verbal communication in high-stakes boardroom settings. Learn how to harness the power of body language to inspire confidence, build trust, and drive influence, while avoiding gestures that can undermine your leadership presence.

Session 4 : Cultivating AI within your organization

Lecture by speaker: Mr. Jens Meijen - EU AI Act Expert at Umaniq

- In today's digital world, board members must understand the strategic opportunities and risks of artificial intelligence (AI), ensuring its responsible use through strong governance, ethical considerations, transparency, and compliance with regulations, while driving innovation and competitive advantage for the organization.
